

Reminder on Practising Certificate (PC) Renewal

For Who and When?

Fully and conditionally registered doctors whose PCs **are expiring on 31 December 2024** can submit their PC renewal application from **2 September 2024** onwards.

PC Renewal Criteria

- Obtained sufficient Continuing Medical Education (CME) points* within the qualifying period.
- No outstanding fine for not voting in previous SMC Elections (applies to doctors on full registration only).

***Note: Doctors whose PCs are expiring on 31 December 2024 do not need to fulfil Mandatory Medical Ethics (MME) Core Points for PC Renewal for year 2025.**

How to Renew?

Doctors need to log in to the Professional Registration Systems (PRS) on the SMC [website](#) with their Singpass and 2-factor verification before their PC expires to apply for a renewal.

Late Application

Applications submitted on and after **1 December 2024** will be considered late applications. A late application fee of S\$80 will apply.

Please note applications that are submitted after **27 December 2024** cannot be approved in time for **1 January 2025**.

Reminder

Doctors are reminded to log in to the PRS to **update their contact details** such as **email addresses, handphone numbers** and **employment information** so as not to miss any important notifications from SMC.
